## ANNOUNCEMENT!

### Prime-Mover-Advantage Promotion

---

**Buy One SmartNode™ 4960. . . Get One Free!**

---

Dear Patton Partner:

Starting 1 August 2006, you can get a **FREE SmartNode™ SN4960** Multi-port T1/E1/PRI VoIP IAD, for each and every SN4960 you order at the regular price.

**Stock up now.** Patton's **Prime-Mover-Advantage Promotion** places no limit on quantities ordered. That means carriers, integrators, distributors, and resellers can build valuable inventory of this hot new SmartNode™... for a ridiculously low overall cost.

**Get started!** Whatever you do, don't procrastinate... this **promotion ends 31 October 2006.**

**Special models.** Patton's Prime-Mover-Advantage buy-one-get-one-free promotion is limited to the five special SmartNode™ model numbers listed in the table below.

#### Instructions

1. **Buy** one SmartNode™ Model SN4960 at your regular price.
2. **Mention** promotion code SC094 when ordering.
3. **Get** your second identical SmartNode unit at no additional charge (i.e. free!).
4. **Repeat.** That's right, repeat. With no limit on quantities, you can afford all the SN4960s you want.
